

$\frac{10}{15}$ 

A photograph of four children standing in a field of tall green grass and numerous pink cosmos flowers. The child on the far left wears a yellow bucket hat and a grey long-sleeved shirt. The child next to them wears a yellow bucket hat and a light blue t-shirt. The child in the back center wears a blue bucket hat and a dark blue t-shirt. The child on the far right wears a yellow bucket hat and a grey t-shirt with a graphic. In the background, there are hills, a bridge, and power lines under a cloudy sky. A yellow decorative line is at the top of the page.

A group of children wearing yellow hats are gathered in a field of tall pink cosmos flowers. One child in the foreground is reaching out to touch a flower. The background shows a wide, flat landscape under a cloudy sky, with distant hills and some buildings visible on the horizon.

A group of approximately ten children are posing in a field of tall green grass and numerous pink cosmos flowers. They are all wearing bright yellow hats with blue chin straps. Several children have backpacks on. The children are arranged in a loose group, with some in the foreground making playful gestures like peace signs or pointing. The background shows a hazy landscape with hills and a bridge under a cloudy sky.
