⑤

＜ Important ＞

① Please fill in the 7 digit number listed in your "Akachan Techo" (赤ちゃん手帳/Baby Health Record Book)
② For those that live at multiple addresses, please also enter a phone number you can be reached at.
③ Please reference the "State of Childbirth" (出産の状態) and "1-Month Old Health Checkup" (1か月健診) pages of the maternity health record book.
④ Please reference the "Newly Born Child" (早期新生児期) page of the maternity health record book.
⑤ When filling in the "Current State of Mother and Child" section, please reference the third page of the "Akachan Techo"
⑥ If your examination result was "パス pass," circle "正常" (normal). If your result was "ファー refer," circle "要再検" (re-examination necessary)

The 4-Month-Old Health Checkup Questionnaire is an important record of your child's health. Make sure to take the copy you are given (the "本人控"), and paste it in your maternity health record book (母子健康手帳). It will be necessary for when your child undergoes the 10-Month-Old Health Checkup (１０か月児健診).
